What is this type of insurance?

Currys Mobile Insurance Complete is designed to provide you with cover to protect your mobile against unexpected, unforeseen and unintentional incidents.

What is insured?

- ✓ Damage (sudden and unexpected damage that affects how your mobile works)
- ✓ Theft
- ✓ Accidental loss
- ✓ Breakdown of your mobile after the manufacturer's (or Currys) warranty expires
- ✓ Accessories worth up to £300

What is not insured?

- ✗ The excess you need to pay towards each successful claim as shown on your certificate. There's no excess for breakdown claims
- ✗ Theft or loss that happens whilst the user has deliberately left the mobile unattended and unsecured
- ✗ Theft from an unattended vehicle, unless the vehicle was locked and the mobile concealed from view
- ✗ Any financial loss resulting from your mobile being used without your permission
- ✗ Any incident caused intentionally by you, or by anyone else using the mobile with your permission
- ✗ Stored information, data, downloads, videos, music, applications, or the cost of retrieval
- ✗ Repair or replacement costs that have not been authorised by us

Are there any restrictions on cover?

- ! We'll only replace your accessories if they were damaged, lost or stolen in the same incident as the mobile. Or if we replace your mobile with a different make or model and this means that you can no longer use your existing accessories
- ! For us to pay any claim for theft you must report the theft to the police upon discovery and request a crime reference number
- ! If an incident happens abroad, we won't be able to deal with your claim until you are back in the UK

Where am I covered?

- ✓ This insurance provides the same level of cover worldwide

What are my obligations?

- You must pay your premiums on time
- You must pay an excess for every successful damage, theft or loss claim
- You must take reasonable care to protect your mobile and its accessories from being damaged, lost or stolen
- You must notify us of any change of the mobile to be insured, or if you no longer wish to insure the mobile
- You must take reasonable care to provide complete and accurate answers to the questions we ask when you take out, renew, and make changes to your policy

When and how do I pay?

Your insurance premiums can be paid monthly or by an annual single payment. If you pay your premiums monthly, your first payment will be collected by debit or credit card, with further premiums collected by Direct Debit. Direct Debit payments will be collected on the dates shown on your certificate. If you pay your premium annually, you can pay your premium each year by debit or credit card.

When does the cover start and end?

Cover begins on the start date which will be shown on your certificate.

If you pay your premium monthly, cover will continue on a monthly basis for a maximum of 5 years, unless it's cancelled by you or us before then.

If you pay your premium annually, cover will continue for a period of 12 months from the start date. You'll have the option to renew your policy each year for a maximum term of 5 years, unless it's cancelled by you or us before then.

If we repair or replace your mobile, cover will continue on the same basis as before the repair or replacement, unless we decide to cancel the cover for your replacement mobile as described in the 'Cancellation of your policy by us' section of the Insurance Terms and Conditions.

If at our discretion we settle your claim in the form of a Currys gift card or in cash, we won't be able to continue cover for any mobile you buy to replace it, and the policy will be cancelled with effect from the date of the settlement of the claim.

How do I cancel the contract?

If you no longer wish to insure the mobile you can provide notice to cancel your policy by calling 0800 049 0221 or by writing to us at Currys Insurance, PO Box 194, Cramlington, NE23 0DA, or online at www.currys.co.uk/mobile/insurance.
