INSURANCE TERMS AND CONDITIONS

Your Insurance Policy

These are the terms and conditions of your Phone Care Mobile insurance. Aviva Insurance Limited underwrites this policy. These terms and conditions give you full details of what is covered, what is not covered and the limits and conditions that apply.

Contract of Insurance

These terms and conditions and your Phone Care Mobile certificate form the contract of insurance between you and us. Please read them and keep them safe. In return for you paying your premiums, we will provide cover for the phone shown on your certificate, providing you remain the owner and anyone using the phone complies with these terms and conditions.

Eligibility

To be eligible for Phone Care insurance, the person named on the certificate or anyone who uses the phone on a regular basis, must be:

- a. resident in the UK; and
- b. aged 16 years or over.

Period of Cover

Cover begins on the start date shown on your certificate. Cover will continue on a monthly basis, for a maximum of 5 years, unless it is cancelled by you or us before then. Please contact us if you cancel your airtime contract with your network provider, as your Phone Care policy will not be cancelled automatically.

If we repair or replace your phone, cover will continue on the same basis as prior to the repair or replacement, unless we decide to cancel the cover as described in the 'Cancellation of your policy by us' section.

If at our discretion we settle your claim in cash, we will not be able to continue cover for a replacement phone purchased by you, and the policy will be cancelled with effect from the date of the incident which gave rise to the claim.

Excess

This is the amount you need to pay towards any type of successful claim except breakdown and is shown on your certificate. We'll collect the payment after your claim has been accepted and before your claim is settled.

THINGS YOU MUST DO

1. Pay your premiums on time.
2. Take reasonable care to protect your phone and its accessories from being damaged, lost or stolen.
3. Provide complete and accurate information where reasonably requested by us. Failure to do these things may result in your claim being declined or your cover being cancelled.

WHAT WE'LL COVER

We will, at our discretion, either replace or repair your phone in the event of:

- damage - sudden and unexpected damage that affects how the phone works;
- breakdown - failure due to an internal hardware fault happening after the date the manufacturer's or Phone Care warranty expires;
- accidental loss;
- theft.

We will pay up to £300 for:

Standard accessories supplied with your phone; and/or any case, charger, screen protector and/or memory card purchased from mobiles.co.uk or Currys, to be used specifically with your phone, if:

- a. you make a successful claim for your phone and the accessories were affected during the same incident; or
- b. we replace your phone with a different make or model and you can no longer use them.

The replacement phones we provide are refurbished models with a Phone Care warranty provided by Currys. The Phone Care warranty will match either the period of time you had left on your original phone's manufacturer's warranty or 12 months, whichever is greater. For more information please see the **MAKING A CLAIM** section.

Cover applies worldwide providing you, or anyone who uses the phone on a regular basis remains a UK resident.

WE WON'T COVER

1. Theft from an unattended vehicle unless the vehicle was locked and the phone concealed from view.
2. Any claim for theft or loss that occurs whilst the user has deliberately left the phone unattended and unsecured.
 - a. By unattended, we mean the phone is left, out of arms reach, with no one trusted by the user, taking care of it.
 - b. By unsecured we mean the phone is left in a place where it can be easily picked up by a person the user does not know, without them having to use force and/or violence, except:
 - where the phone is in the private residence of the user or somebody known to the user, whilst the user is also present in that private residence at the time; or
 - where the phone is in the workplace of the user and the user has taken reasonable steps to ensure the phone is not in plain sight.
3. Any incident caused intentionally by you.
4. Any incident that occurred before the start date of this policy as shown on your certificate.
5. Any claim for repair or replacement costs that have not been authorised by us.
6. Any breakdown that is covered by the manufacturer's or Phone Care warranty, or any claim resulting from a manufacturer's defect or recall of the phone.
7. Any claim due to modification, maintenance, repairs and/or any process of cleaning and/or restoring.
8. Cosmetic enhancements you've made to your phone, for example plating or embellishment with precious metals, stones or crystals.
9. Stored information, including (but not limited to) any data, downloads, videos, music and applications and any costs relating to the retrieval of data.
10. Non-hardware problems, e.g. software problems, data downloads and malware such as viruses, worms, spyware, adware or Trojan Horses.
11. Any charges from your network provider in the event of unauthorised calls, messages, data or downloads.
12. Any financial loss resulting from your phone being used with or without your consent e.g. to access your bank account, mobile wallet or similar, and/or make purchases.
13. Any incident caused by a government body or other authority confiscating your phone.
14. Any consequence whatsoever which is the direct or indirect result of any of the following, or anything connected with any of the following, whether or not such consequence has been contributed to by any other cause or event:
 - a. War:
Any war, invasion, act of foreign enemy, hostilities or a warlike operation or operations (whether war be declared or not), civil war, mutiny, rebellion, revolution, military rising, insurrection, civil commotion, assuming the proportions of or amounting to an uprising, military or usurped power;
 - b. Terrorism;
 - c. Any action taken in controlling, suppressing or in any way relating to war or terrorism.

MAKING A CLAIM

1. To claim for damage or breakdown, please bring your phone to a Currys store so we can assess it and arrange a repair or replacement. If you have your phone repaired or replaced by some means other than through this insurance policy, we will not pay your claim. If you are unable to bring your phone into a store please call us on **0800 049 6189**. If the incident happens outside the UK, we will not be able to deal with your claim until the phone is in the UK and available for assessment.
2. To claim for loss or theft, call **0800 049 6189** or visit any Currys store. You will need to provide your name, address, date of birth, and the policy number shown on your certificate. Replacement phones will only be sent to UK addresses. You can also visit www.mobiles.co.uk/phonecare.html for more information on how to make a claim.
3. If your phone has been lost or stolen we will need verification from your network provider that the phone has been blocked. We recommend you contact them as soon as possible as this will also limit any charges you may incur for unauthorised use. Please speak to your network provider for more details about charges you may incur.
4. If your phone has been stolen, you must report it to the police, and request a crime reference number (CRN) before your claim is submitted. You will be required to provide the CRN to substantiate your claim. If you cannot obtain a CRN, please call us on **0800 049 6189**.
5. You should make any claim as soon as possible.
6. For damage and breakdown claims, if your phone is security protected, you will need to remove this protection before we can process your claim e.g. Activation Lock or Find My iPhone on iPhones.
7. Where we accept your claim, we will attempt to replace your phone with the same make and model as your original phone. If this is not possible, we will provide an alternative phone determined by us that may be a different colour or model, or be made by a different manufacturer. This may mean the features and functions will differ, but the replacement will be of a similar specification to your original phone. In the event that we're unable to source a suitable replacement, we will, at our sole discretion, make a settlement in cash based upon the cost of a like-for-like replacement or if possible we may provide a repair to your existing handset.
8. Replacement phones will not include any stored information you added to your original phone, including (but not limited to) any data, downloads, videos, music or applications. This may also apply if your phone is repaired.
9. Our replacement phones are refurbished models which come with a Phone Care warranty provided by the Currys. The Phone Care warranty will match either the period of time you had left on your original phone's manufacturer's warranty or 12 months, whichever is greater. Cover for breakdown under your insurance policy will resume when the Phone Care warranty expires. For further information about the Phone Care warranty including how to make a claim on the warranty, please call us on **0800 049 6189**.
10. You may be required to provide information, documents or receipts reasonably necessary to support and/or verify your claim. If you make a claim for accessories you will be required to provide proof of purchase before we can settle your claim.
11. If, at the time of an incident, there is any other insurance covering the same loss, we are entitled to approach that insurer for a contribution.
12. Once we have settled your claim, the original phone will become our property. Where a lost or stolen phone is recovered you may keep the replacement phone we provided you with, but the recovered phone must be returned to us.

CANCELLING YOUR POLICY

Cancellation of your policy by you

You have a statutory right to cancel your policy within 14 days from the day of purchase or renewal of the contract or the day on which you receive your policy or renewal documentation, whichever is the later.

1. If you cancel within the first 14 days you will receive a full refund of premiums paid (unless you have made a claim).
2. If you have made a claim or you wish to cancel after the first 14 days, you can cancel your policy from the end of any insured month, by giving notice that you wish to cancel before the end of that month.
The insured month is the month beginning on the date your policy starts and ending on the same date of the following month, and each subsequent month after that. You will not be entitled to any refund.
3. If you no longer wish to insure the phone named on your certificate you can provide notice to cancel your policy by calling **0800 049 6189**, by writing to us care of Phone Care, PO Box 194, Cramlington, NE23 0DA.

 - a. Where a premium is not paid on time (as required in THINGS YOU MUST DO 1). If this happens we will contact you by letter or email to notify you of this. If the payment is not received within 14 days from the date of the letter we will cancel your policy from the date the premium was due without the need for us to give any further notice to you. We may, at our discretion, allow this policy to resume where a payment is made after this 14 day period, but we are under no obligation to do so.

- b. If you use your phone to commit a crime or to allow any crime to take place we will cancel your policy immediately and notify you of this in writing.
 - c. Where we reasonably suspect fraud or where you have failed to provide us with complete and accurate information as required by the 'Changes we need to know about' section we may refuse any claim and cancel your policy immediately. Where your actions are deliberate or reckless you will not be entitled to a refund. We may also take legal action against you.
 - d. If we replace your phone following a claim, we may, after considering your previous claims history, decide that we are not willing to continue providing cover in respect of the replacement phone. If this happens we will write to you to notify you of this.
2. Unless otherwise stated above, if we cancel your policy we will give at least 30 days written notice to the last known home or email address you have provided to us.
 3. Unless otherwise stated above, if we cancel your policy you will be entitled to a proportionate refund of the premium you have paid based upon the number of unexpired insured months remaining on the policy for which you have paid.
